Yarn Expo is a crucial platform for showcasing textile products globally, The dream of 'Atmanirbhar Bharat' (Self-Reliant India) envisioned by Prime Minister Shri Narendra Modi will materialize from Surat: Senior Vice President of Reliance Industries, Mr. J. Raghunath

Surat: Organized under the aegis of The Southern Gujarat Chamber of Commerce and Industry and The Southern Gujarat Chamber Trade and Industries Development Center, Yarn Expo 2024, as the second exhibition of the year, is being held from August 9 to August 11, 2024, from 10:00 AM to 7:00 PM at Surat International Exhibition and Convention Center in Sarasana. The grand inauguration of the yarn exhibition has commenced today and will last for three days.

On Friday, August 9, 2024, at 10:30 AM, the inauguration ceremony of Yarn Expo was held. The chief guest and inaugurator was Mr. J. Raghunath, Senior Vice President of Reliance Industries Limited. The ceremony was graced by special guests Mr. Sanwar Rajkumar Budhia, Managing Director of Sanjoo Prints Pvt. Ltd., and Mr. Kyu Nam Kim, Director General of Korea Trade - Investment Promotion Agency. The Yarn Expo was officially inaugurated by these distinguished guests.

Mr. Vijay Mevawala, President of the SGCCI, welcomed everyone to Yarn Expo. He mentioned that the exhibition is organized to ensure the rapid development of Surat's textile industry and to provide industrialists with the latest technology in yarn production. This year marks the sixth edition of Yarn Expo, with 92 yarn producers participating from across the country, and he is confident that the expo will bring new dimensions.

He further mentioned that Prime Minister Shri Narendra Modi has pledged to make India the third-largest economy in the world. Efforts are underway to make India a \$5 trillion economy by 2027, and the Prime Minister has set an export target of 1 billion US dollars for industrialists. The Yarn Expo organized by the SGCCI could play a significant role in creating export-oriented fabrics.

Mr. J. Raghunath, Senior Vice President of Reliance Industries Limited, addressing industrialists, said that Yarn Expo 2024 is an important platform for showcasing your textile products to the world. The growth of India's textile industry depends on Surat's textile industry, and Prime Minister Narendra Modi's dream of an 'Atmanirbhar Bharat' (Self-Relian India) will be realized from Surat. He stated that India has the best technology and talent for producing export-oriented products.

Presenting the global scenario of the textile industry to the industrialists, he mentioned that global fabric consumption is 104 million metric tons, with a projected increase of 30 million metric tons by 2030. The share of man-made

People from Surat are known globally as fashion experts: Director General of Korea Trade – Investment Promotion Agency, Mr. Kyu Nam Kim

fiber is 78 million metric tons, expected to reach 106 million metric tons. In man-made fabrics, polyester consumption is currently 58 million metric tons, projected to rise to 81 million metric tons. The consumption of other man-made fabrics like viscose and nylon is expected to grow between 20 to 25 million metric tons.

With the current global population at 7.7 billion, it is expected to reach approximately 8.5 billion by 2030. The per capita annual fabric consumption worldwide is 14.3 kg, which is projected to increase to 16.6 kg by 2030. In India, per capita annual fabric consumption is 6 kg. He emphasized that to match the projected growth of 30 million metric tons in man-made fabrics by 2030, there needs to be a growth of 23 million metric tons in polyester, presenting a golden opportunity for Surat's textile industrialists to seize and advance rapidly. Industrialists need to create a Surat brand. In the future, textile entrepreneurs must focus on man-made fabrics, he added.

Mr. Kyu Nam Kim, Director General of Korea Trade - Investment Promotion Agency, stated that People of Surat are known as people of fashion in the world. He extended his best wishes to the Chamber of Commerce for the success of Yarn Expo.

Mr. Girdhargopal Mundra, Chairman of Yarn Expo 2024, mentioned that Surat consumes 1.5 lakh metric tons of polyester yarn monthly. The monthly cotton consumption is 3000 metric tons. The consumption of nylon yarn, which was 3000 metric tons in 2009, has now increased to 9000 metric tons. Viscose filament consumption is 12,000 metric tons per month. Last year, yarn worth Rs. 1900 crores was exported from Surat.

Mr. Nikhil Madrasi, Vice President of SGCCI, thanked everyone present at the inauguration ceremony. Dr. Anil Saraogi, Group Chairman of SGCCI, conducted the master of ceremony in inauguration function. Other prominent figures included the Immediate Past President of SGCCI, Mr. Ramesh Vaghasia, Honorary Secretary Mr. Nirav Mandlewala, Honorary Treasurer Mr. Mrunal Shukla, All Exhibitions Chairman Mr. Bijal Jariwala, and Co-Chairmen of Yarn Expo, Mr. Umesh Krishnani, Mr. Kiran Thummar, Mr. Ashok Rathi, Mr. Prafull Shah and Past President of SGCCI, Mr. Nilesh Mandlewala, Mr. Rupin Pachchigar, Mr. Amarnath Dora, Mr. Ashish Gujarati, and Mr. Himanshu Bodawala, along with leading figures from the textile industry, exhibitors, and entrepreneurs who were present at the inauguration ceremony.

President Message

Dear Exhibitors,

It is my pleasure to invite all the stakeholders in Yarn Expo - An International Trade Show organized by "The Southern Gujarat Chamber of Commerce & Industry (SGCCI), from 9-10-11 August, 2024 at Surat International Exhibition and Convention Centre (SIECC), Surat, Gujarat with a view to highlight the strength of Textile Sector of this region.

Such events are viable media to provide opportunities to all the manufactures, dealers, wholesalers and retailers to showcase their wide range of products and services. It also provides platform to entire Trade Textile Industry experts to discuss about the latest market innovations. I am sure that both in the study of the technologies and it's applications in manufacturing of Fabrics will provide excellent business opportunities to the participants and information to the visiting delegations.

I acknowledge and thank especially to Ministry of Textiles, Government of India & Gujarat government. I also extended my thanks to supporting organizations, Sponsors and Exhibitors for patronizing in Exhibition for ascertaining and giving a Golden Touch to the Success Story of Yan Expo. I take this opportunity to appreciate the ongoing tireless efforts of Exhibition's Mentors, Convener, Advisor, Chairman, My colleagues and Staff members at the SGCCI to make 'Yarn Expo' a grand success.

I once again thank to all for this grand success. My best wishes to all the exhibitors and visitors of the event.

Shri Girdhargopal Mundra

Chairman, Yarn Expo -2024

Message

Dear Exhibitors,

I am honored to extend a warm welcome to all of you at Yarn Expo 2024, the premier event in the world of textiles and fibers. As the Exhibition Chairman, it gives me immense pleasure to witness the gathering of like-minded individuals, industry experts, and innovators who continue to shape the future of the yarn and textile industry.

The history of Surat is famous for its contribution in the field of Textiles and they have fame not only in the state but also throughout the world.

In development of the Textile Industry of Surat, Yarn has played a very significant roll, Surat is one of the major hubs manufacturing yarn of different denominations and provides excellent opportunity for developing of Man Made Fabrics, which are finding its' way in the region, National and International Markets.

I extend my heartfelt gratitude to all the exhibitors, sponsors, and participants for their continued support.

Your dedication to excellence has elevated Yarn Expo to its esteemed position in the global textile arena. I also express my thanks to the organizing committee for their relentless efforts in bringing this event to fruition.

I wish the exhibition all the success and fill assure that both the participants and visitors will immensely benefit from Yarn 2024.

Shri Bijal Jariwala
All Exhibition Chairman,
2024-25

Reliance Industries Limited

Reliance Industries Limited (RIL), founded by Padma Vibhushan, Shri Dhirubhai H. Ambani four decades ago, is India's largest private sector company. RIL's activities span hydrocarbon exploration and production, petroleum refining and marketing, petrochemicals, retail and digital services.

A significant global player in the integrated energy value chain, RIL recorded a consolidated turnover of INR 622,809 crore (\$ 90.1 billion) and net profit of INR 39,568 crore (\$ 5.7 billion) in FY 2018-19.

In 2004, RIL became the first private sector company from India to make it to the Fortune Global 500 list of 'World's Largest Corporations'. It currently ranks 148th in terms of revenues and 98th in terms of profits. The company stands 53rd in the 'Forbes Global 2000' rankings for 2018 - top-most among Indian companies. It ranks 10th among LinkedIn's 'The Best Companies to Work For In India' (2019).

RIL owns and operates one of the most integrated petrochemicals facilities globally, with a portfolio comprising of polymers, polyesters, fibre intermediates, aromatics and elastomers. The company provides world-class experiences to its customers across a range of applications - packaging, agriculture, automotive, housing, and healthcare among others. Among the top 10 producers for key petrochemicals, RIL holds leadership position across product categories globally.

Continuing to augment its customer centricity and consumer orientation, RIL's Petrochemicals business has progressed further on the expression of 'Chemistry for Smiles'. Reliance has created RIElan™ - a portfolio of specialty fabrics, a perfect blend of 'art' and 'smart'. Reliance is developing new lines of business in the Advanced Materials & Composites and the capabilities to design and print a wide range of products using 3D Printing technology.

Introduce "COMMUNION" a renowned monthly magazine dedicated to the apparel & Textiles industry with a rich history of three decades. As an esteemed player in the Indian apparel and textile sector, we take pride in serving the industry with cutting-edge content, up-to-date information, and an exceptional platform for advertising. At "COMMUNION," we bring together a dynamic blend of creative young minds and seasoned professionals who work tirelessly to deliver excellence in each issue. Our esteemed publication has earned the trust of leading manufacturers and traders in the apparel and textile industry and is regarded as a creative and effective source of advertising. Here's why advertising in "COMMUNION" is a strategic move for your business:

1. Extensive Reach: With over 5000 subscribers to the print version and a vast readership accessing our digital version worldwide, "COMMUNION" connects you with a diverse audience from all corners of the globe.
2. Also, Communion participates in more than 30 apparel and textiles exhibitions and fairs annually and in the exhibitions, we distribute the publication to all the visitors free of cost after taking their visiting card. Thus, "COMMUNION" provides unparalleled opportunities to market your business and product.
3. Circulation and Distribution: Our monthly print run of 18000-20000 copies ensure extensive circulation among exporters, importers, buying houses, traders, manufacturers, and designers. (We distribute the printed copies by the 15th-17th of every month.)
4. Digital Outreach: After the print circulation, we go above and beyond by sending more than 100,000 digital copies of "COMMUNION" through various channels, including Whatsapp, e-mail, and SMS, reaching targeted stakeholders across India.
5. Social Media Presence: In addition to our print and digital distribution, "COMMUNION" maintains an active and engaging presence on various social media platforms, including:
 - o Twitter: Follow us on Twitter (@COMMUNIONMAGAZINE) for real-time updates, industry insights, and promotional highlights.
 - o Instagram: Connect with us on Instagram (@Communion47) to explore captivating visual content, featured products, and behind-the-scenes moments.
6. Global Impact: We extend our digital outreach beyond Indian borders, reaching more than 300,000 digital copies to exporters, importers, and manufacturers in countries like Nepal, Sri Lanka, Bangladesh, Vietnam, Cambodia, Thailand, UAE, and select European countries. Our commitment and ongoing work are focused on your achievement. To better serve you and keep up with our commitment to innovation, we've developed innovative concepts of marketing and are now providing you with exclusive advertising chances that will help in building a brand. We are looking forward to working with you and helping to expand your company.
